Traditionally, Supervisors make time every Tuesday at our regular Board of Supervisors meetings to honor an individual of Armenian heritage for their contributions through their career, faith, or community service.

8. Temporary Emergency Shelter Facilities in the Antelope Valley //

1. Authorize the CEO or her designee to execute the License, which except as stated herein, shall reflect substantially the same terms as the existing license;

The 2019 Homeless Count measured an increase in the homeless population in the Antelope Valley from the previous year (from 3203 individuals to 3293 with 2,122 individuals living unsheltered in the region). There is still a tremendous need, and the 100 beds operated at the High Desert MACC serve as a critical respite for vulnerable individuals experiencing homelessness in the Antelope Valley.

Authorize the Director of Public Works to complete maintenance and repairs to the High Desert MACC using a Board-approved Job Order Contract to allow for continued operation of the temporary emergency shelter;

Also, find that the services to be provided by **Volunteers of America , a nonprofit corporation**, are necessary to meet the social needs of the County and serve public purposes which benefit the County; find that the former High Desert MACC is not currently needed for County purposes; find that the proposed Non-Exclusive License Agreement (License) is exempt from CEQA; and authorize the Chief Executive Officer to take the following actions:

To assist with increasing public awareness, hundreds of children across Los Angeles County express their concern and ideas through art by participating in the annual ICAN Associates Child Abuse Prevention Month Poster Art contest, addressing topics such as child abuse and neglect and cyber-crimes.

Examine the feasibility and cultural appropriateness of expanding their respective Promotora/es programs in geographic areas where there are large populations of communities of color whose native language is not English, taking into consideration the threshold languages, including Arabic, Armenian, Cambodian, Farsi, Korean, Russian, Tagalog, Vietnamese, Cantonese and Mandarin; and as part the feasibility assessment, conduct a cross-walk between the roles of Promotora/es and those of other disciplines, such as home visitors, doulas, community health workers and navigators;

Include an **assessment of potential funding streams, funding opportunities** and recommendations for funding and resources needed to **expand the programs** including staffing needs;

Identify a proposed implementation plan that would indicate how each Department will expand their programs to further connect community members in underserved areas with resources and information; and

Metrics that will be used to evaluate the **expansion of the programs**.

24. Recommendation as submitted by Supervisor Ridley-Thomas: Approve the Stoneview Nature Center Landscape Renovation Project (Project) \$309,000 of Second Supervisorial District Utility User Tax Funds Board-approved Job Order Contract.

26. Proclaim April as “Arts Month” in Los Angeles County

The arts, in its many forms, brings communities together, shares ideas, informs and educates, heals, ease feelings of anxiousness and loneliness, and can serve as an oasis for the spirit, body and mind.

Recommendation as submitted by Supervisor Ridley-Thomas: Proclaim the month of April 2020 as “Arts Month” throughout Los Angeles County, to support and promote arts organizations, institutions and makers through the Novel Coronavirus (COVID-19) pandemic and beyond, and recognize the contributions of the arts to enhance quality of life for all. (Carried over from the cancelled meeting of 3-17-20)

NOTE: Supervisor Barger requests that this item be continued to May 5, 2020.

33. Continuing Contributions to Medical Insurance for Part-Time Employees

As a precautionary measure and to mitigate the risk of part-time employees losing their medical benefits due to reduced work hours, the accompanying ordinance would temporarily suspend the requirement for employees to annually qualify for their medical insurance. The ordinance also temporarily lowers the requirement to qualify for health insurance, and suspends the monthly work requirement, thereby, allowing employees to continue receiving contributions for their medical insurance for the duration of the public health emergency due to COVID-19.

Once the public health emergency due to novel COVID-19 is lifted, the suspension of these requirements will also cease. At that point, the eligibility requirements for the contributions towards medical insurance for part-time employees will resume.
